REGULATIONS RESPECTING FOREIGN ORDERS.

1. THAT no British Subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual (directed to the Earl Marshal of England), granting them His Majesty's permission to accept and wear the same.

2nd. That the intention of a Foreign Sovereign to decorate a British Subject with the Insignia of such Order shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3rd. That when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of the King, His Royal Highness the Prince Regent deemed it expedient to announce, in the year 1812,—

5th. "That no Subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the Enemy, either at Sea or in the Field; or unless he shall have been actually employed in the Service of such Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command, that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:—

6th. "That His Majesty's Licence and permission doth not authorize, and shall

not be deemed or construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Bachelor of these realms."

N.B. Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure, on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander-in-Chief, through His Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

CASTLEREAGH.

Her Majesty has been pleased further to direct,—

7th. "That if the Service for which it is proposed to confer the Order has been performed during War, the Notification required by the 2nd Regulation must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

"If the Service has been performed in time of Peace, the Notification must be made within two years of the date of such Service."

8th. "When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Declaration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred."

ABERDEEN.

Foreign Office, August 22, 1843.

The Queen has made known her pleasure,—

9th. "That the 8th Clause of the Regulations respecting Foreign Orders shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by her predecessors, their Majesties King George IV., and King William IV., on whose heads the Crowns of Great Britain and Hanover were united.

"Decorations so bestowed cannot pro-

perly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of the 5th Clause of the Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover."

ABERDEEN.

Foreign Office, July 6, 1846.

MEMORANDUM.

Admiralty, Feb. 10th, 1841.

My Lords Commissioners of the Admiralty are pleased to direct that no Mate shall be allowed Half-Pay without having been previously surveyed and reported unfit by the Inspector General, or the Officers of one of the Naval Hospitals at home. The Medical Officers are therefore to report particularly in each case the probable period at which the invalid may be again fit for employment; and at the expiration of such period the Mate is to report himself to their Lordships, in order that, if he should state himself to be still unable to serve, proper measures may be taken to ascertain his continued unfitness; after which, should he be declared fit for employment and still withhold his services, his Half-Pay is to be resipied.

Mates who may apply for the retiring pension of two shillings and sixpence a day after twenty years' actual service, will not be re-admitted after having accepted such Pension.

LEAVE.

Admiralty, June 22, 1821.

In order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of His Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, (*stating the date their last letter of leave bore*) so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordships' leave.

At the expiration of three months after the leave has expired, their half-pay will be resipied (20th April, 1830).

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty.

TO AFFIX RANK TO SIGNATURE.

Admiralty, 4th Jan., 1811, and 21st Feb., 1839.

By command of the Lords Commissioners of the Admiralty, notice is hereby given to all Officers of his Majesty's Navy, and of the Royal Marines, whether on full or Half-pay, that, whenever they may have occasion to address Letters to their Lordships' Secretary, they are to specify their addresses, and to note against their signatures the rank which they may hold in the Royal Navy or Marines, respectively; and, whenever absent on leave, to state the name of the Ship to which they may belong.

Admiralty, 30th September, 1835.

In pursuance of His Majesty's Order in Council, Notice is hereby given, that all Officers of the Royal Navy receiving Half-Pay, are required to annex to the signature of their names, on the Quarterly Half-Pay Declaration, the Place of their residence at the date of each Declaration, otherwise it will not be received.

Admiralty, 30th September, 1835.

To avoid the inconvenience and delay which have sometimes occurred in the payment of Naval Half-pay by the irregular transmission of Declarations; the Commissioned and Warrant Officers of his Majesty's Navy, residing within the United Kingdom, and receiving their Half-pay through Agents, are hereby desired to transmit their Declarations to such Agents within Ten Days at most after the expiration of each Quarter, so as to enable the Agent to receive the amount due on the Days regularly appointed for the Payment of the respective Ranks.

CHARLES WOOD.

Admiralty, 15th November, 1838.

TO NAVAL AND MARINE OFFICERS ON HALF-PAY.

The Right Honourable the Lords Commissioners of the Admiralty hereby give notice, that in future the rotation in which Half-Pay will be paid to Officers will be as follows:—

1st Class.—Paymasters and Pursers—Masters—Surgeons.

2d Class.—Lieutenants and Chaplains.

3d Class.—Admirals—Captains—Commanders.

It will therefore be necessary, in order to prevent delay and inconvenience to the Officers themselves, that their declarations should be delivered into the Paymaster-General's Office, or to their respective Agents, as soon as possible after the last day of every quarter.

It sometimes happens that Officers apply personally for their Half-Pay, without having previously sent in their declarations as required by the usual advertisement; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

By command of their Lordships,
JOHN BARROW.

CHAPLAINS.

No person shall be appointed a Chaplain in the Royal Navy who shall not have been regularly ordained Deacon and Priest of the United Church of England and Ireland, or whose age shall exceed thirty-five years, or who shall hold any benefice with cure of souls, or who shall not produce testimonials from the Bishop of the diocese in which he was last licensed, addressed to the Lords Commissioners of the Admiralty, or who shall not have been examined by some competent person appointed for that purpose by the Lords Commissioners of the Admiralty, and be reported by him to be in every respect a fit and proper person to fill with respectability and advantage to Her Majesty's service the situation of Chaplain. (1847).

Form of Half-pay Declaration to be taken by such Chaplains as shall hereafter be placed on the Half-pay List, under His Majesty's Order in Council, of 21st July, 1835.

I do solemnly and sincerely declare that I did not accept any

benefice with cure of souls before I had completed a term of service in the Royal Navy, as Chaplain, equal to eight years' service at sea; that I have not between the day of and the day of been employed as Chaplain of any of His Majesty's ships, and have not held, and do not hold, any appointment as Chaplain of a Naval Establishment, the emoluments of which amount to four hundred pounds per annum; and I make this solemn Declaration, conscientiously believing the same to be true.

Admiralty, 10th Sept., 1842.

REGULATIONS FOR THE QUALIFICATION OF NAVAL INSTRUCTORS. ESTABLISHED BY ORDERS IN COUNCIL OF THE 22nd DEC. 1836, 10th AUGUST, 1840, AND 11th MARCH, 1842.

Naval Instructors and Schoolmasters are hereafter to be designated "Naval Instructors," and Chaplains on being appointed to act as Naval Instructors are to be designated "Chaplains and Naval Instructors."

No person will be considered eligible for a Warrant as Naval Instructor who is under 20 years of age or more than 55.

Before any person can hereafter be received on board Her Majesty's ship "Excellent" as a candidate for an appointment as Naval Instructor, he will be required to produce a certificate of his age, and testimonials of good character; and both laymen and clergymen when appointed to act as Naval Instructors must pass an examination as to their qualifications to instruct the young Officers in the following branches:—

1st. Common Arithmetic, including Vulgar and Decimal Fractions.

2nd. The first six and the eleventh books of Euclid.

3rd. Algebra, progressing to the highest order of Equations, and its application to the solution of Geometrical Problems.

4th. Plane and Spherical Trigonometry, theoretical and practical.

5th. Nautical Astronomy, particularly the principles on which the various rules for finding the latitude and longitude are founded.

6th. Mechanics.

7th. Hydrostatics.

8th. A competent knowledge of the Classics.

The final examination of Candidates for Naval Instructorships will comprise:—

1st. The usual College passing examination in Navigation.

3rd. Observations with the Sextant, &c. The use of the Azimuth Compass and Chronometers, &c. Perfect proficiency will be expected in observing: 250 numbers will be required to pass a Candidate in the College Paper, and 55 is to be the minimum number for observations.

Although the knowledge of French, as well as of other modern languages, and of the principles of drawing, is not considered as indispensable, it is very desirable that Naval Instructors should be able to give instruction in these branches of education; and preference will always be given to such as possess these attainments.

No Naval Instructor who shall retire from his employment without the approbation of the Lords Commissioners of the Admiralty, or who shall refuse or avoid service if found capable of serving, shall be allowed to receive Half-Pay; and his name in such case will be removed from the List of Naval Instructors.

The Naval Instructor is to be considered in all respects a Ward Room Warrant Officer.

By Command of their Lordships,
SIDNEY HARRERT.

MEMORANDUM.

Admiralty, June 7th, 1836.

All Candidates for Naval Instructorships who may be sent to the *Excellent*, are to be examined (previous to commencing the course of instruction) touching their Mathematical attainments, which it will be expected should be sufficient to admit of their proceeding at once to the study of Nautical Astronomy. BY THE QUEEN.

A PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council of this day's date, We were graciously pleased, for the reasons therein contained, to annul the Royal Proclamation of His late Majesty King William the Fourth, of the third day of February, one thousand eight hundred and thirty-six, directing that distribution should be made of the net proceeds of prizes captured from the enemy, of captures and seizures under the several Acts passed relating to the Revenues of Customs and to Trade and Navigation, for the abolition of the Slave Trade, and for the capture and destruction of piratical vessels, and of the rewards conferred for the same, according to the scheme therein set forth; and it is expedient that provision should be made by Us for the future distribution of such proceeds or rewards; We do make known to all Our loving subjects, and all others whom it may concern, by this Our Proclamation, by and with the advice and consent of Our Privy Council, that Our Royal will and pleasure is, and We do hereby direct, that the distribution of such proceeds and rewards shall be made in the following manner, viz.:—

That flag-officers or officer, commodores of the first class, and captains of the fleet, shall have one-sixteenth of the net proceeds arising from prizes captured from the enemy, and from all other captures, seizures, head moneys, grants, and bounties as aforesaid, made by the ships and vessels under his or their command, save and except in the cases hereinafter submitted.

That when ships or vessels under the command of several flag-officers which belong to separate stations shall happen to be joint captors, each flag-officer, under whose orders each ship or vessel may be, shall receive a portion of the flag share of one-sixteenth of the net proceeds in proportion to the number of officers and men present under the command of each such flag-officer; and the same regulation as to the apportionment of the flag share is to be observed when ships or vessels under orders from the Lord High Admiral, or the Commissioners for executing the office of Lord High Admiral, shall be joint captors with ships or vessels under a flag or flags.

And We do hereby further direct, that the following regulations be observed in respect to the distribution of the remaining portion of the net proceeds of prizes, captures, seizures, and rewards before mentioned (after the deduction of the flag share of one-sixteenth), or of the whole amount of such net proceeds in the cases hereinafter provided, where no flag-officer shall be entitled to share:—

First.—That the officers and men composing the complements of Our ships and vessels be distributed into thirteen classes, and that each officer and man and boy who shall have been actually on board at the time of any such capture, seizure, &c., as aforesaid, shall receive such number or portion of shares as are expressed to each class respectively in the following table:—

I, A. B., am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [or, in the particular Ship, as the Case may be]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [or, Ship or Vessel, as the Case may be], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on Freight as aforesaid.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure, and of the Freight paid or to be paid thereon.

ing such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on several Particulars to which they refer, till they shall be revoked or otherwise altered by an Proclamation or Proclamations to be issued by His Majesty.

GOD SAVE THE KING.

(Circular to the Naval Commanders-in-Chief.)

Admiralty, 4th June, 1821.

SIR.—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. Croker.

Admiralty, 8th October, 1842.

to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June, 1831, granting an allowance for Treasure deposited on board Her Majesty's Ships for Custody only, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only.

No document from the office of the Secretary of State is necessary.

4. Officers on half-pay, residing in the Colony where they propose to settle, are admitted to the privileges of Military and Naval Settlers, without referring to this country for testimonials, provided they can satisfy the Governor that there is no objection to their being allowed the indulgence, and that the statement of their rank and length of service is accurate; and provided, if they belong to the Navy, that they produce their letter of leave of absence from the Admiralty.

5. Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments of the Army; Purser, Chaplains, Midshipmen, Warrant Officers of every description, and Officers of any of the Civil Departments of the Navy, are not allowed any privileges in respect of land. Although members of these classes may have been admitted formerly, and under different circumstances, they are now excluded. Rates in the Royal Navy rank with Ensigns in the Army, and Rates of three years' standing, with Lieutenants in the Army, and are entitled respectively to corresponding privileges in the acquisition of Lands.

6. Gentlemen who have ceased to belong to Her Majesty's Service are not allowed the advantages to which they were entitled while in the Army or Navy. This rule,

however, is not to affect Officers who desire to quit the service, for the express purpose of settling in the Colonies: it is only required, that when they resign their Commissions, they should apply for a certificate from the General Commanding in Chief, or from the Lords Commissioners of the Admiralty, or from the Master General of the Ordnance, that they do so with the view of emigrating, and such certificate, if produced to the Governor of any of the Colonies before-mentioned within one year from its date, but *not otherwise*, will be a sufficient warrant for allowing the bearer the same advantages as Officers who are still in Her Majesty's Service.

7. An actual residence of two years in the Colony must be proved before the Titles can be granted, except in cases in which death may have occurred before the expiration of that period.

8. For the convenience of Officers, the following heads are subjoined of the Rules for the Sale of Land in the Australian Settlements:—

All Lands are disposed of by sale alone, and must have been once at least exposed to public auction.

The lowest upset price is not less than 1*l*. per acre; but the Government has power to raise the same by Proclamation, though not again to reduce it.

The Lands are distinguished into three different classes; viz. Town Lots, Suburban Lots, and Country Lots.

Upon Town and Suburban Lots, as well as upon a proportion not exceeding one-tenth of the whole of the Country Lots offered for sale at any auction, the Governor has the power of naming a higher than the general or lowest upset price: these last to be designated "Special Country Lots."

Town and Suburban Lots are in no case disposed of except by public auction; but Country Lots, which have already been put up to public auction, and not sold, may be disposed of afterwards by private contract at the upset price.

No Lands are sold by private contract, except for ready money. When sold by public auction, one-tenth at least of the whole purchase money must be put down, and the remainder within one calendar month, or the deposit is forfeited.

Lands are put up for sale in Lots not exceeding one square mile in extent.

9. In Ceylon, land is sold by auction at an upset price of 5*s*. per acre, generally in lots of 100 acres each.

10. The several prices above mentioned are of course subject to revision at any time by the proper Authorities, and the pecuniary amount of the Remission made to Officers cannot be increased on account of an increased value set upon the Lands.

September, 1848.

MEMORANDUM.

Admiralty, 26th August, 1841.

Her Majesty having by Her Order in Council of 10th August, 1840, ordered that Rates in the Royal Navy shall rank with Ensigns in the Army, and Rates of 3 years' standing with Lieutenants in the Army, Her Majesty's Government have recognised the claims of these Officers to the same advantages in the acquisition of Land in the Australian Colonies and in Ceylon, which are enjoyed by Subalterns in the Army under the Regulations of August, 1838.

By Command of their Lordships,

J. PARKER.

ORIGINAL CERTIFICATES AND PAPERS.

Admiralty, 17th August, 1837.

His Royal Highness the Lord High Admiral desires that Officers, or other persons, having occasion to transmit Certificates and other Documents either to His Royal Highness his Council, or his Secretaries, will not send the *original* Certificates or Documents, but only *copies* thereof, which copies will remain in this Office, annexed to the Letter or Memorial to which they may belong. If, however, the parties shall choose to transmit their *original* documents, they are to understand that they will not be afterwards returned to them, but retained in this Office for the purpose aforesaid.

This rule does not apply to the Smart Tickets or Certificates of Seamen or Marines applying for pensions from Greenwich.

Notice is hereby given to the Medical Officers of the Royal Navy, that Sir Gilbert Blane, Bart., first Physician to his Majesty, and formerly Member of the Board for Sick and Wounded Seamen, with the concurrence and approbation of the Lords Commissioners of the Admiralty, has, for the encouragement of Naval Medical Science, and the excitement of an emulation that may conduce to the interests of an important branch of the public service, established a Fund in perpetuity, for the purpose of providing the means of conferring a gold medal, once in every two years, on such two Medical Officers, whether Surgeons, or Assistant-Surgeons acting as Surgeons, as shall produce the most approved journals of their practice, whilst actually serving in King's Ships.

RULES AND REGULATIONS RESPECTING THE APPOINTMENT, RANK, EXAMINATION, AND PAY, OF ENGINEERS,

(Under Her Majesty's Order in Council of the 27th of February, 1847).

Admiralty, 1st April, 1847.

Appointment and Rank of Engineers.

Engineers in Her Majesty's Naval Service are to be classed in three divisions, and to be thus denominated:—
Inspectors of Machinery afloat,
Chief Engineers,
Assistant Engineers.

The two latter divisions are to be divided severally into three classes, namely:—

Chief Engineers of the First Class.
" " of the Second Class.
" " of the Third Class.

Assistant Engineers of the First Class.
" " of the Second Class.
" " of the Third Class.

Engineers will be considered, as at present, to belong to the Civil Branch of the Naval Service, and they will be appointed, and rank, as under-mentioned.

Inspectors of machinery afloat will be appointed by commission, and rank with, but after, Masters of the Fleet.

Chief Engineers will be appointed by commission, and rank with, but after, Masters.

Assistant Engineers will be appointed by order, and rank with, but after, Second Masters.

Examination and Qualifications of Engineers.

Inspectors of Machinery afloat.—Inspectors of machinery afloat will be appointed by their Lordships for the responsible duties of superintending generally the machinery of Steam Vessels attached to each station or squadron, and the candidates for such appointments must be men of experience and acknowledged ability, in whose judgment, integrity, and talent, implicit reliance can be placed.

Chief Engineer.—No person will be considered qualified to hold the commission of a Chief Engineer, who is not able to keep accounts, make notes in the Log of every particular of the working of the engines and boilers, draw rough sketches of any part of the machinery, with figured dimensions fit to work from, be able and willing to exert himself practically as a workman when occasion requires, either in driving the engines, or packing, repairing, or adjusting the various working parts of the machinery, and making good the defects of boilers. He must therefore possess a thorough knowledge of the construction and working of marine engines and boilers in all their parts, coupled with skill and experience as a practical mechanic.

He must be so far acquainted with the elements of theoretical mechanics as to comprehend the general principles on which the machine works. He must understand how to apply the indicator, and draw the necessary conclusions from the diagrams.

He must be acquainted with the principle of expansion,

Admiralty, 1st September, 1846.

MEMORANDUM.—In all future cases when any of Her Majesty's Ships are about to be paid off, their Lordships desire it may be distinctly explained to the Men, that if they choose to continue in the Service, they may have a month or six weeks' leave of absence, during which time their Time and Pay will go on, and that they will be at liberty to join any of Her Majesty's Ships fitting out at any of the Ports upon their return from such leave.

and able to prove, or at least to illustrate, the advantages to be derived from the use of expansive gear.

The particular class to which a Chief Engineer will be appointed will depend not only on the result of his examination, but on his character, services, &c.

Chief Engineers will be examined at the Steam Department at Somerset House by the Chief Engineer and Inspector of the Machinery of the Navy, in the presence of the Comptroller of Steam Machinery.

Assistant Engineer.—He must be able to keep accounts and make rough working sketches of engines and boilers.

He must produce certificates of servitude in a factory, or other proof of his acquaintance with engine work, and of his practical abilities as a mechanic, as well as testimonials of good conduct and character.

He must understand the general principle of the engine, and be acquainted with the names of the various parts, and their uses.

The Second Class Assistant Engineer, in addition to the foregoing general requirements, must have served at sea at least one year, and produce proof of his capability to work engines, &c.

The First Class Assistant Engineer must have served at sea at least two years as an Engineer, and be competent to take charge of the engines when required to do so. He must be well acquainted with the principle on which the machine works in all its parts, be able to adjust the various working parts, and set right defects which may arise in the engines and boilers.

According to his acquirements in these points, his proficiency as a workman, and his general character and servitude, will depend his promotion to the higher rank of Chief Engineer. But he will not be considered eligible for promotion to this latter rank until he shall have served three years in the capacity of First Class Assistant, or as "First Class Engineer" on the old establishment.

Assistant Engineers will be examined by the Chief Engineers and Inspectors of Machinery of the Government Factories, in the presence of the Superintendent of the Dock-Yard, or such other Officer as may be nominated for the purpose.

In the event, however, of the exigencies of the service requiring the entry of Engineers who may not have served at sea the full periods herein stated, but in other respects may produce proof of their qualifications, a deviation from these regulations will be allowed by the special authority, in each instance, of the Board of Admiralty, a notation to such effect being made on the passing Certificates, with a statement of the circumstances of the case.

All Engineers at present in the service are to be continued at their present rank and denomination until they shall have been examined and found eligible for promotion into the new establishment.

Their Lordships further desire that every facility may be given to the men to deposit their Hammocks, Clothes, &c. in the Dock Yards during their stay on shore, in the manner prescribed by their Memorandum dated April 13, 1846, the object of which their Lordships desire may be fully impressed upon the men, and the Regulation strictly attended to.

By command of their Lordships,
H. G. WARD.

NAVAL MEDALS.

Admiralty, 7th June, 1848.

The Lords Commissioners of the Admiralty having referred to a Committee of Flag Officers the consideration of the naval actions for which medals should be granted, in accordance with the spirit of the Queen's most gracious intentions, as signified in the Gazette of the 4th June, 1847; and Her Majesty having been pleased to approve of several of the suggestions submitted by the said Committee, the following notice is issued for the information and guidance of those who may have claims to this honourable distinction:—

1st. The rule, directed by Her Majesty to be observed in extending this mark of Her royal favour, is so comprehensive as to bring within its scope all Officers, seamen, and marines (and soldiers who served as marines) who were present in any action which at the time received the special approbation of the Lords Commissioners of the Admiralty.

2nd. From the commencement of the war in 1793, it was the practice of the Board of Admiralty to notice battles of conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the Commander, if the action was fought by a small vessel; and, conformably with this practice, it is Her Majesty's pleasure, that persons of every rank, who were present in such actions, during the wars commencing in 1793, and ending in 1815, and now living, shall receive a medal commemorative of their meritorious services; and they are required forthwith to state their claims for each action in which they may have been engaged, according to the form (A) hereunto annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty, London.

3rd. Her Majesty has also been pleased to take into Her gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct that such services, if distinguished by the promotion of the Officer conducting the enterprise, shall entitle those who were present, and now living, to a medal; provided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. It is also ordered, that service in the frigates and smaller vessels, which were actually present in any of the

great fleet actions mentioned in the Gazette of the 4th June, 1847, for which the Captains of the ships of the line received medals, shall entitle those now surviving of the crews of such vessels to a medal.

And all surviving Officers, seamen, and marines, belonging to ships actually co-operating and present during the siege and capture of

Martinique in 1809,
Guadeloupe in 1810,
Java in 1811,
St. Sebastian in 1813,

for which the Army had medals, will be entitled to a similar distinction, if their return, according to form (A), shall enable the Committee to trace the presence and co-operation of the ships to which the applicants belonged.

And 5th. Her Majesty, having taken into Her most gracious consideration the circumstance that medals have been granted by Her Majesty for services rendered by the Navy, not only in the wars commencing in 1793, and ending in 1815, but also for services rendered in the late war in China, whilst the intermediate general actions, viz.;

The attack upon Algiers in 1816,
The battle of Navarino in 1827, and
The operations on the coast of Syria in 1840,

are unmarked by any such distinction, has been pleased to direct, that the surviving Officers, seamen, and marines, engaged in those actions, shall also receive a similar mark of their Sovereign's gracious recollection of their services, and of her desire to record the same; and all such Officers, seamen, and marines, are, therefore, hereby called upon to transmit their claims to such distinction according to the annexed form A, and addressed to the Secretary of the Committee of Flag Officers, Admiralty, London.

The following Flag Officers have been directed to re-assemble, as a committee for the investigation and adjudication of all claims sent in according to the printed forms, viz.:

Admiral Sir T. B. Martin, G.C.B.
Admiral Sir W. Hall Gage, G.C.H.
Admiral the Hon. Sir Thomas Bladen Capel, K.C.B.
Vice-Admiral Sir James A. Gordon, K.C.B.

By command of the Lords Commissioners
of the Admiralty,

H. G. WARD.

(A.)

Admiralty, 1st June, 1847.

Her Majesty having been graciously pleased to command that a medal should be struck to record the services of Her Fleets and Armies, during the wars commencing in 1793 and ending in 1815, and that one should be conferred on every Officer, non-commissioned officer, petty officer, soldier, seaman, and marine, who was present in any action, naval or military, to commemorate which medals have been struck by command of Her Majesty's Royal Predecessors, and distributed to Superior Officers, according to the rules of the Service at that time in force :

All Officers, petty officers, seamen, and marines, who consider that they are entitled to receive this mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same, are to send in writing, the statement of their claims, addressed to the Secretary of the Admiralty, Whitehall, London, specifying for what action, and at what period of time, the claim is preferred, and the names of the persons or the titles of the documents by which it can be established.

A Board of Officers will be appointed to take into consideration the facts stated in these applications, and to report upon the same to the Lords Commissioners of the Admiralty, for the information of Her Majesty, so as to enable those commanded by Her Majesty to deliver to the claimants the medals accordingly.

The names of all those, who may apply for the naval medal, will be classed alphabetically, and to each name will be appended the actions at which the claimant may have been present, proof of which must be given to the entire satisfaction of the Board.

The occasions for which medals have been granted by the Sovereign are specified below, for general information and guidance.

By command of the Lords Commissioners
of the Admiralty,

H. G. WARD.

Admiralty, 1st June, 1847.

Her Majesty having been graciously pleased to command that a medal should be struck to record the services of Her Fleets and Armies, during the wars commencing in 1793 and ending in 1815, and that one should be conferred on every Officer, non-commissioned officer, petty officer, soldier, seaman, and marine, who was present in any action, naval or military, to commemorate which medals have been struck by command of Her Majesty's Royal Predecessors, and distributed to Superior Officers, according to the rules of the Service at that time in force :

All Officers, petty officers, seamen, and marines, who consider that they are entitled to receive this mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same, are to send in writing, the statement of their claims, addressed to the Secretary of the Admiralty, Whitehall, London, specifying for what action, and at what period of time, the claim is preferred, and the names of the persons or the titles of the documents by which it can be established.

A Board of Officers will be appointed to take into consideration the facts stated in these applications, and to report upon the same to the Lords Commissioners of the Admiralty, for the information of Her Majesty, so as to enable those commanded by Her Majesty to deliver to the claimants the medals accordingly.

The names of all those, who may apply for the naval medal, will be classed alphabetically, and to each name will be appended the actions at which the claimant may have been present, proof of which must be given to the entire satisfaction of the Board.

REGULATIONS RESPECTING FOREIGN ORDERS.

1. THAT NO British Subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual (directed to the Earl Marshal of England), granting them His Majesty's permission to accept and wear the same.

2nd. That the intention of a Foreign Sovereign to decorate a British Subject with the Insignia of such Order shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3rd. That when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of the King, His Royal Highness the Prince Regent deemed it expedient to announce, in the year 1812,—

5th. "That no Subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the Enemy, either at Sea or in the Field; or unless he shall have been actually employed in the Service of such Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command, that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:—

6th. "That His Majesty's Licence and permission doth not authorize, and shall

not be deemed or construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Bachelor of these realms."

N.B. Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure, on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander-in-Chief, through His Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

CASTLEREAGH.

Her Majesty has been pleased further to direct,—

7th. "That if the Service for which it is proposed to confer the Order has been performed during War, the Notification required by the 2nd Regulation must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

"If the Service has been performed in time of Peace, the Notification must be made within two years of the date of such Service."

8th. "When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Declaration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred."

ABERDEEN.

Foreign Office, August 22, 1843.

The Queen has made known her pleasure,—

9th. "That the 8th Clause of the Regulations respecting Foreign Orders shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by her predecessors, their Majesties King George IV., and King William IV., on whose heads the Crowns of Great Britain and Hanover were united.

"Decorations so bestowed cannot pro-

perly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of the 5th Clause of the Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover."

ABERDEEN.

Foreign Office, July 6, 1846.

MEMORANDUM.

Admiralty, Feb. 10th, 1841.

My Lords Commissioners of the Admiralty are pleased to direct that no Mate shall be allowed Half-Pay without having been previously surveyed and reported unfit by the Inspector General, or the Officers of one of the Naval Hospitals at home. The Medical Officers are therefore to report particularly in each case the probable period at which the invalid may be again fit for employment; and at the expiration of such period the Mate is to report himself to their Lordships, in order that, if he should state himself to be still unable to serve, proper measures may be taken to ascertain his continued unfitness; after which, should he be declared fit for employment and still withhold his services, his Half-Pay is to be resipited.

Mates who may apply for the retiring pension of two shillings and sixpence a day after twenty years' actual service, will not be re-admitted after having accepted such Pension.

LEAVE.

Admiralty, June 22, 1821.

In order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of His Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from the kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, (stating the date their last letter of leave bore) so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordships' leave.

At the expiration of three months after the leave has expired, their half-pay will be resipited (30th April, 1830).

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty.

By command of the Lords Commissioners of the Admiralty, notice is hereby given to all Officers of his Majesty's Navy, and of the Royal Marines, whether on full or Half-pay, that, whenever they may have occasion to address Letters to their Lordships' Secretary, they are to specify their addresses, and to note against their signatures the rank which they may hold in the Royal Navy or Marines, respectively; and, whenever absent on leave, to state the name of the Ship to which they may belong.

Admiralty, 30th September, 1835.

In pursuance of His Majesty's Order in Council, Notice is hereby given, that all Officers of the Royal Navy receiving Half-Pay, are required to annex to the signature of their names, on the Quarterly Half-Pay Declaration, the Place of their residence at the date of each Declaration, otherwise it will not be received.

Admiralty, 30th September, 1835.

To avoid the inconvenience and delay which have sometimes occurred in the payment of Naval Half-pay by the irregular transmission of Declarations; the Commissioned and Warrant Officers of his Majesty's Navy, residing within the United Kingdom, and receiving their Half-pay through Agents, are hereby desired to transmit their Declarations to such Agents within Ten Days at most after the expiration of each Quarter, so as to enable the Agent to receive the amount due on the Days regularly appointed for the Payment of the respective Ranks.

CHARLES WOOD.

Admiralty, 15th November, 1838.

TO NAVAL AND MARINE OFFICERS ON HALF-PAY.

The Right Honourable the Lords Commissioners of the Admiralty hereby give notice, that in future the rotation in which Half-Pay will be paid to Officers will be as follows:—

1st Class.—Paymasters and Purser—Masters—Surgeons.

2d Class.—Lieutenants and Chaplains.

3d Class.—Admirals—Captains—Commanders.

It will therefore be necessary, in order to prevent delay and inconvenience to the Officers themselves, that their declarations should be delivered into the Paymaster-General's Office, or to their respective Agents, as soon as possible after the last day of every quarter.

It sometimes happens that Officers apply personally for their Half-Pay, without having previously sent in their declarations as required by the usual advertisement; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

By command of their Lordships,

JOHN BARROW.

CHAPLAINS.

No person shall be appointed a Chaplain in the Royal Navy who shall not have been regularly ordained Deacon and Priest of the United Church of England and Ireland, and whose age shall exceed thirty-five years, or who shall hold any benefice with cure of souls, or who shall not produce testimonials from the Bishop of the diocese in which he was last licensed, addressed to the Lords Commissioners of the Admiralty, or who shall not have been examined by some competent person appointed for that purpose by the Lords Commissioners of the Admiralty, and be reported by him to be in every respect a fit and proper person to fill with respectability and advantage to Her Majesty's service the situation of Chaplain. (1847).

Form of Half-pay Declaration to be taken by such Chaplains as shall hereafter be placed on the Half-pay List, under His Majesty's Order in Council, of 31st July, 1835.

I do solemnly and sincerely declare that I did not accept any

benefice with cure of souls before I had completed a term of service in the Royal Navy, as Chaplain, equal to eight years' service at sea; that I have not between the day of and the day of been employed as Chaplain of any of His Majesty's ships, and have not held, and do not hold, any appointment as Chaplain of a Naval Establishment, the emoluments of which amount to four hundred pounds per annum; and I make this solemn Declaration, conscientiously believing the same to be true.

Admiralty, 10th Sept., 1842.

REGULATIONS FOR THE QUALIFICATION OF NAVAL INSTRUCTORS. ESTABLISHED BY ORDERS IN COUNCIL OF THE 22nd DEC., 1836, 10th AUGUST, 1840, AND 11th MARCH, 1842.

3rd. Algebra, progressing to the highest order of Equations, and its application to the solution of Geometrical Problems.

Although the knowledge of French, as well as of other modern languages, and of the principles of drawing, is not considered as indispensable, it is very desirable that Naval Instructors should be able to give instruction in these branches of education; and preference will always be given to such as possess these attainments.

No Naval Instructor who shall retire from his employment without the approbation of the Lords Commissioners of the Admiralty, or who shall refuse or avoid service if found capable of serving, shall be allowed to receive Half-Pay; and his name in such case will be removed from the List of Naval Instructors.

A PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council of this day's date, We were graciously pleased, for the reasons therein contained, to annul the Royal Proclamation of His late Majesty King William the Fourth, of the third day of February, one thousand eight hundred and thirty-six, directing that distribution should be made of the net proceeds of prizes captured from the enemy, of captures and seizures under the several Acts passed relating to the Revenues of Customs and to Trade and Navigation, for the abolition of the Slave Trade, and for the capture and destruction of piratical vessels, and of the rewards conferred for the same, according to the scheme therein set forth; and it is expedient that provision should be made by Us for the future distribution of such proceeds or rewards: We do make known to all Our loving subjects, and all others whom it may concern, by this Our Proclamation, by and with the advice and consent of Our Privy Council, that Our Royal will and pleasure is, and We do hereby direct, that the distribution of such proceeds and rewards shall be made in the following manner, viz:—

That flag-officers or officer, commodores of the first class, and captains of the fleet, shall have one-sixteenth of the net proceeds arising from prizes captured from the enemy, and from all other captures, seizures, head moneys, grants, and bounties as aforesaid, made by the ships and vessels under their command, save and except in the cases hereinafter submitted.

That when ships or vessels under the command of several flag-officers which belong to separate stations shall happen to be joint captors, each flag-officer, under whose orders each ship or vessel may be, shall receive a portion of the flag share of one-sixteenth of the net proceeds in proportion to the number of officers and men present under the command of each such flag-officer; and the same regulation as to the apportionment of the flag share is to be observed when ships or vessels under orders from the Lord High Admiral, or the Commissioners for executing the office of Lord High Admiral, shall be joint captors with ships or vessels under a flag or flag officer.

And We do hereby further direct, that the following regulations be observed in respect to the distribution of the remaining portion of the net proceeds of prizes, captures, seizures, and rewards before mentioned (after the deduction of the flag share of one-sixteenth), or of the whole amount of such net proceeds in the cases hereinbefore provided, where no flag-officer shall be entitled to share:—

First.—That the officers and men composing the complements of Our ships and vessels be distributed into thirteen classes, and that each officer and man and boy who shall have been actually on board at the time of any such capture, seizure, &c., as aforesaid, shall receive such number or portion of shares as are expressed to each class respectively in the following table:—

GOD SAVE THE QUEEN.

BY THE QUEEN.

A PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council of the nineteenth of May, in the present year of our Lord one thousand eight hundred and forty-six, and in the ninth year of Our reign, We were graciously pleased, for the reasons therein contained, to annul the Royal Proclamation of His late Majesty King William the Fourth, of the third day of February, one thousand eight hundred and thirty-six, directing that distribution should be made of the net proceeds of prizes captured from the enemy, of captures and seizures, under the several Acts passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, and for the Capture and Destruction of Piratical Vessels, and of the Rewards conferred for the same, as well as of Awards and Allowances of Salvage granted to the Officers and Men of Ships and Vessels-of-War, when not otherwise specially apportioned by the Terms of the respective Awards and Allowances: And whereas in the Recital of the said Order in Council, in Our Royal Proclamation, dated the said nineteenth day of May, one thousand eight hundred and forty-six, the following words, that is to say, "as well as of Awards and Allowances of Salvage granted to the Officers and Men of Ships and Vessels-of-War when not otherwise specially apportioned by the Terms of the respective Awards and Allowances," were by mistake omitted, and it is expedient that such mistake should be corrected: Now, therefore, We do make known to all Our loving subjects, and all others whom it may concern, by this Our Royal Proclamation, by and with the advice and consent of Our Privy Council, that Our said Proclamation, of the said nineteenth day of May, one thousand eight hundred and forty-six, shall have the same force and effect, to all intents and purposes, as if the said words so omitted by mistake had been inserted therein.

Given at Our Court at Buckingham Palace, this sixth day of July, in the year of Our Lord one thousand eight hundred and forty-six, and in the tenth year of Our reign.

GOD SAVE THE QUEEN.

Admiralty, 3rd July, 1827.

His Royal Highness the Lord High Admiral having received a representation from the Governors and Directors of Greenwich Hospital, that many instances have

occurred in which the Regulations contained in His Majesty's Proclamation, dated the 12th of July, 1819, in regard to the Freight of Treasure on board His Majesty's Ships, have been either wholly neglected, or only partially complied with, His Royal Highness feels himself under the necessity of bringing to the recollection of all Officers who may be intrusted with the Freight of Treasure the several provisions of His Majesty's Proclamation aforesaid, and to repeat the General Orders issued by the Lords Commissioners of the Admiralty, on the subject of Freight since the promulgation of the said Proclamation.

Provided that such Admiral or Admirals shall not be entitled to claim his or their respective Share or Shares in such Freight Money, otherwise than on Condition that he or they shall, before the Gold, Silver, Jewels, Treasure, or other Articles as aforesaid, shall be put on board such Ship or Vessel, have respectively given Notice in Writing to the Captain or Officer commanding such Ship or Vessel, or his Agent, or have entered or caused to be entered in a Public Order Book on board the Ship of the Commander in Chief, or the Senior Flag Officer commanding on the Station or in the Squadron to which such Vessel belongs; or in case of a Junior Flag Officer absent from the Commander in Chief, unless such Junior Flag Officer shall have notified under his Hand to the Commander in Chief, to be entered in the said Order Book, an Engagement in Writing in Form or to the Effect following:

I, A. B., am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [or, in the particular Ship, as the Case may be]; And I hereby engage to make good to the Captain or Captain, Officer or Officers, commanding such Ships or Vessels respectively [or, Ship or Vessel, as the Case may be], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on Freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprise the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure, and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively: and if any Difficulty or Dispute shall arise respect-

ing such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by an Proclamation or Proclamations to be issued by Us.

Given at the Court at Carlton House, this Twelfth Day of July, One Thousand Eight Hundred and Nineteen, in the Fifty-ninth Year of His Majesty's Reign.

(Circular to the Naval Commanders-in-Chief.)

Admiralty, 4th June, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

of Rates so fixed shall cease and be no longer in force: And We do further declare, That from thenceforth the following Rates shall be established during Peace and War.

And it is further established and declared, That such Freight shall be payable clear of all Deduction whatsoever; and that it shall be stipulated in the Bill of Lading that the Captains and Commanding Officers of Our Ships and Vessels shall not be liable to any Expenses attending the Shipment of such Treasure, or other Articles, until the same shall be safe alongside of their respective Ships or Vessels, and that their liability shall cease from the Moment they shall have landed the Treasure at the Port to which the Ships carrying the Treasure shall be destined.

And it is further declared, That in all other respects, save what is hereby altered, the said Proclamation of the Twelfth Day of July One thousand eight hundred and nineteen, and the Rules and Regulations thereby established, shall continue in full Force.

A PROCLAMATION.

WILLIAM R.

WHEREAS We did, by Our Royal Proclamation of the Twenty-third Day of April last, establish and declare a Scale of Rates at which Freight should be payable for public and private Treasure conveyed on board any of Our Ships and Vessels; We have, by and with the Advice of Our Privy Council, thought fit further to ordain, declare, and command, and We do hereby ordain, declare, and command, That from and after the First Day of September next, the Freight for conveying Gold and Silver in any of Our Packets between any Two Ports, the navigable Distance between which shall exceed Six Hundred Leagues, shall be fixed at the Rate of One per Cent., both for Gold and Silver: And We do hereby establish and declare, That the Responsibility of the Officer in charge of such Treasure shall commence when it shall be safe alongside the said Packet, and shall cease the Moment that it shall be landed at the Port of Destination: And it is further declared, That in all other respects the said Proclamation of the Twenty-third Day of April last, and the Rules and Regulations thereby established, shall continue in full Force.

GOD SAVE THE KING.

Admiralty, 8th October, 1842.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims, for Freight on Public Treasure be submitted in the usual manner

to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June, 1821, granting an allowance for Treasure deposited on board Her Majesty's Ships for Custody only, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only.

By Command of their Lordships,

SIMON HARRIST.

EMIGRATION REGULATIONS—OFFICERS' CERTIFICATES 189

MEMORANDUM.

Admiralty, 1st May, 1848.

The Lords Commissioners of the Admiralty are pleased to direct that the annexed Memorandum, which has been transmitted from the Colonial Department, be promulgated for the information of Officers of the Royal Navy and Marines proposing to settle in the Australian Colonies.

All former notices on the subject of Officers settling in the Colonies are to be considered as obsolete.

By Command of their Lordships,
JOHN BARROW.

INFORMATION FOR THE USE OF MILITARY AND NAVAL OFFICERS PURSUING TO SETTLE IN THE BRITISH COLONIES.

1. The Colonies in which Military and Naval Officers are allowed privileges in the acquisition of public lands are the following:—First, the Australian Settlements, consisting of New South Wales, Van Diemen's Land, South Australia, Western Australia, and the Northern Province of New Zealand; secondly, Ceylon; thirdly, the Cape of Good Hope; and fourthly, Nova Scotia and Cape Breton, the only province in North America where privileges are still allowed.

2. In the different Australian Settlements, in Ceylon, and at the Cape of Good Hope, land is disposed of by sale only; but Officers purchasing land, are allowed a remission of the purchase money, according to the under-mentioned scale:—

Field Officers, of 25 years' service and upwards, in the whole 600*l*.

Field Officers, of 20 years' service and upwards, in the whole 500*l*.

Field Officers, of 15 or less years' service, in the whole 400*l*.

Captains, of 20 years' service and upwards, in the whole 400*l*.

Captains, of 15 years' service or less, in the whole 300*l*.

Subalterns, of 20 years' service and upwards, in the whole 300*l*.

Subalterns, of 7 years' service and upwards, in the whole 200*l*.

Subalterns, under 7 years' standing, are not entitled to any remission in the purchase of land.

Regimental Staff Officers, and Medical Officers of the Army and Navy, are allowed the benefit of this Rule.

In Nova Scotia and Cape Breton, allotments of Land are granted to Officers on the following scale and conditions, viz.:—

To a Lieut.-Colonel.....1200 acres.

To a Major.....1000 acres.

To a Captain.....800 acres.

To a Subaltern.....500 acres.

3. Officers of the Army or Navy, proposing to proceed to the Colonies, in order to take advantage of this indulgence, should provide themselves with Certificates from the office of the General Commanding in Chief, or of the Lords Commissioners of the Admiralty, or of the Master General of the Ordnance, showing that their emigration has been sanctioned, and stating exactly their rank and length of service. No document from the office of the Secretary of State is necessary.

4. Officers on half-pay, residing in the Colony where they propose to settle, are admitted to the privileges of Military and Naval Settlers, without referring to this country for testimonials, provided they can satisfy the Governor that there is no objection to their being allowed the indulgence, and that the statement of their rank and length of service is accurate; and provided, if they belong to the Navy, that they produce their letter of leave of absence from the Admiralty.

5. Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments of the Army; Purser, Chaplains, Midshipmen, Warrant Officers of every description, and Officers of any of the Civil Departments of the Navy, are not allowed any privileges in respect of land. Although members of these classes may have been admitted formerly, and under different circumstances, they are now excluded. *Mates* in the Royal Navy rank with *Ensigns* in the Army, and *Mates* of three years' standing, with *Lieutenants* in the Army, and are entitled respectively to corresponding privileges in the acquisition of Lands.

6. Gentlemen who have ceased to belong to Her Majesty's Service are not allowed the advantages to which they were entitled while in the Army or Navy. This rule,

however, is not to affect Officers who desire to quit the service, for the express purpose of settling in the Colonies: it is only required, that when they resign their Commissions, they should apply for a certificate from the Commander in Chief, or from the Lords Commissioners of the Admiralty, or from the Master General of the Ordnance, that they do so with the view of emigrating, and such certificate, if produced to the Governor of any of the Colonies before-mentioned within one year from its date, but not otherwise, will be a sufficient warrant for allowing the bearer the same advantages as Officers who are still in Her Majesty's Service.

7. An actual residence of two years in the Colony must be proved before the Titles can be granted, except in cases in which death may have occurred before the expiration of that period.

8. For the convenience of Officers, the following heads are subjoined of the Rules for the Sale of Land in the Australian Settlements:—

All Lands are disposed of by sale alone, and must have been once at least exposed to public auction.

The lowest upset price is not less than 1*l*. per acre; but the Government has power to raise the same by Proclamation, though not again to reduce it.

The Lands are distinguished into three different classes; viz. Town Lots, Suburban Lots, and Country Lots.

Upon Town and Suburban Lots, as well as upon a proportion not exceeding one tenth of the whole of the Country Lots offered for sale at any auction, the Governor has the power of naming a higher than the general or lowest upset price: these last to be designated "Special Country Lots."

Town and Suburban Lots are in no case disposed of except by public auction; but Country Lots, which have already been put up to public auction, and not sold, may be disposed of afterwards by private contract at the upset price.

No Lands are sold by private contract, except for ready money. When sold by public auction, one-tenth at least of the whole purchase money must be put down, and the remainder within one calendar month, or the deposit is forfeited.

Lands are put up for sale in Lots not exceeding one square mile in extent.

9. In Ceylon, land is sold by auction at an upset price which is to be fixed by the Governor, but which is not to be less than 1*l*. per acre. Before the lands are exposed for sale, they will be surveyed by the Government and duly advertised.

10. The several prices above mentioned are of course subject to revision at any time by the proper Authorities, and the pecuniary amount of the Remission made to Officers cannot be increased on account of an increased value set upon the Lands.

August, 1848.

MEMORANDUM.

Admiralty, 26th August, 1841.

Her Majesty having by Her Order in Council of 10th August, 1840, ordered that *Mates* in the Royal Navy shall rank with *Ensigns* in the Army, and *Mates* of 8 years' standing with *Lieutenants* in the Army, Her Majesty's Government have recognised the claims of these Officers to the same advantages in the acquisition of Land in the Australian Colonies and in Ceylon, which are enjoyed by Subalterns in the Army under the Regulations of August, 1838.

By Command of their Lordships,
J. PARKER.

Admiralty, 17th August, 1827.

His Royal Highness the Lord High Admiral desires that Officers, or other persons, having occasion to transmit Certificates and other Documents either to His Royal Highness his Council, or his Secretaries, will not send the original Certificates or Documents, but only copies thereof, which copies will remain in this Office, annexed to the Letter or Memorial to which they may belong. If, however, the parties shall choose to transmit their original documents, they are to understand that they will not be afterwards returned to them, but retained in this Office for the purpose aforesaid.

This rule does not apply to the Smart Tickets or Certificates of Seamen or Marines applying for pensions from Greenwich.

By Command of His Royal Highness,
J. W. CROKER.

MEMORANDUM.

Admiralty, 1st May, 1843.

The Lords Commissioners of the Admiralty are pleased to direct that the annexed Memorandum, which has been transmitted from the Colonial Department, be promulgated for the information of Officers of the Royal Navy and Marines proposing to settle in the Australian Colonies.

All former notices on the subject of Officers settling in the Colonies are to be considered as obsolete.

By Command of their Lordships,

JOHN BARROW.

INFORMATION FOR THE USE OF MILITARY AND NAVAL OFFICERS PURSUING TO SETTLE IN THE BRITISH COLONIES.

1. The Colonies in which Military and Naval Officers are allowed privileges in the acquisition of public lands are the following:—First, the Australian Settlements, consisting of New South Wales, Van Diemen's Land, South Australia, Western Australia, and the Northern Province of New Zealand; secondly, Ceylon; thirdly, the Cape of Good Hope; and fourthly, Nova Scotia and Cape Breton, the only province in North America where privileges are still allowed.

2. In the different Australian Settlements, in Ceylon, and at the Cape of Good Hope, land is disposed of by sale only; but Officers purchasing land, are allowed a remission of the purchase money, according to the undermentioned scale:—

- Field Officers, of 25 years' service and upwards, in the whole 6000.
- Field Officers, of 20 years' service and upwards, in the whole 5000.
- Field Officers, of 15 or less years' service, in the whole 4000.
- Captains, of 20 years' service and upwards, in the whole 4000.
- Captains, of 15 years' service or less, in the whole 3000.
- Subalterns, of 20 years' service and upwards, in the whole 3000.
- Subalterns, of 7 years' service and upwards, in the whole 2000.
- Subalterns, under 7 years' standing, are not entitled to any remission in the purchase of land.
- Regimental Staff Officers, and Medical Officers of the Army and Navy, are allowed the benefit of this Rule.

In Nova Scotia and Cape Breton, allotments of Land are granted to Officers on the following scale and conditions, viz.:—

- To a Lieut.-Colonel.....1800 acres.
- To a Major.....1000 acres.
- To a Captain.....800 acres.
- To a Subaltern.....500 acres.

3. Officers of the Army or Navy, proposing to proceed to the Colonies, in order to take advantage of this indulgence, should provide themselves with Certificates from the office of the Master Commanding in Chief, or of the Lords Commissioners of the Admiralty, or of the Master General of the Ordnance, showing that their emigration has been sanctioned, and stating exactly their rank and length of service. No document from the office of the Secretary of State is necessary.

4. Officers on half-pay, residing in the Colony where they propose to settle, are admitted to the privileges of Military and Naval Settlers, without referring to this country for testimonials, provided they can satisfy the Governor that there is no objection to their being allowed the indulgence, and that the statement of their rank and length of service is accurate; and provided, if they belong to the Navy, that they produce their letter of leave of absence from the Admiralty.

5. Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments of the Army; Purser, Chaplains, Midshipmen, Warrant Officers of every description, and Officers of any of the Civil Departments of the Navy, are not allowed any privileges in respect of land. Although members of these classes may have been admitted formerly, and under different circumstances, they are now excluded.

6. *Mates* in the Royal Navy rank with *Ensigns* in the Army, and *Mates* of three years' standing, with *Lieutenants* in the Army, and are entitled respectively to corresponding privileges in the acquisition of Lands.

7. Gentlemen who have ceased to belong to Her Majesty's Service are not allowed the advantages to which they were entitled while in the Army or Navy. This rule,

however, is not to affect Officers who desire to quit the service, for the express purpose of settling in the Colonies: it is only required, that when they resign their Commissions, they should apply for a certificate from the Commander in Chief, or from the Lords Commissioners of the Admiralty, or from the Master General of the Ordnance, that they do so with the view of emigrating, and such certificate, if produced to the Governor of any of the Colonies before-mentioned within one year from its date, but *not otherwise*, will be a sufficient warrant for allowing the bearer the same advantages as Officers who are still in Her Majesty's Service.

7. An actual residence of two years in the Colony must be proved before the Titles can be granted, except in cases in which death may have occurred before the expiration of that period.

8. For the convenience of Officers, the following heads are subjoined of the Rules for the Sale of Land in the Australian Settlements:—

All Lands are disposed of by sale alone, and must have been once at least exposed to public auction.

The lowest upset price is not less than 1*l.* per acre; but the Government has power to raise the same by Proclamation, though not again to reduce it.

The Lands are distinguished into three different classes; viz. Town Lots, Suburban Lots, and Country Lots.

Upon Town and Suburban Lots, as well as upon a proportion not exceeding one-tenth of the whole of the Country Lots offered for sale at any auction, the Governor has the power of naming a higher than the general or lowest upset price; these last to be designated "Special Country Lots."

Town and Suburban Lots are in no case disposed of except by public auction; but Country Lots, which have already been put up to public auction, and not sold, may be disposed of afterwards by private contract at the upset price.

No Lands are sold by private contract, except for ready money. When sold by public auction, one-tenth at least of the whole purchase money must be put down, and the remainder within one calendar month, or the deposit is forfeited.

Lands are put up for sale in Lots not exceeding one square mile in extent.

9. In Ceylon, land is sold by auction at an upset price which is to be fixed by the Governor, but which is not to be less than 1*l.* per acre. Before the lands are exposed for sale, they will be surveyed by the Government and duly advertised.

10. The several prices above mentioned are of course subject to revision at any time by the proper Authorities, and the pecuniary amount of the Remission made to Officers cannot be increased on account of an increased value set upon the Lands.

August, 1848.

MEMORANDUM.

Admiralty, 26th August, 1841.

Her Majesty having by Her Order in Council of 10th August, 1840, ordered that *Mates* in the Royal Navy shall rank with *Ensigns* in the Army, and *Mates* of 3 years' standing with *Lieutenants* in the Army, Her Majesty's Government have recognised the claims of these Officers to the same advantages in the acquisition of Land in the Australian Colonies and in Ceylon, which are enjoyed by Subalterns in the Army under the Regulations of August, 1838.

By Command of their Lordships,

J. PARKER.

RULES AND REGULATIONS RESPECTING THE APPOINTMENT, RANK, EXAMINATION, AND PAY, OF ENGINEERS,

(Under Her Majesty's Order in Council of the 27th of February, 1847).

Admiralty, 1st April, 1847.

Appointment and Rank of Engineers.

Engineers in Her Majesty's Naval Service are to be classed in three divisions, and to be thus denominated:—

Inspectors of Machinery afloat,

Chief Engineers,

Assistant Engineers.

The two latter divisions are to be divided severally into three classes, namely—

Chief Engineers of the First Class.

" of the Second Class.

" of the Third Class.

Assistant Engineers of the First Class.

" of the Second Class.

" of the Third Class.

Engineers will be considered, as at present, to belong to the Civil Branch of the Naval Service, and they will be appointed, and rank, as under-mentioned.

Inspectors of machinery afloat will be appointed by commission, and rank with, but after, Masters of the Fleet.

Chief Engineers will be appointed by commission, and rank with, but after, Masters.

Assistant Engineers will be appointed by order, and rank with, but after, Second Masters.

Examination and Qualifications of Engineers.

Inspectors of Machinery afloat.—Inspectors of machinery afloat will be appointed by their Lordships for the responsible duties of superintending generally the machinery of Steam Vessels attached to each station or squadron, and the candidates for such appointments must be men of experience and acknowledged ability, in whose judgment, integrity, and talent, implicit reliance can be placed.

Chief Engineer.—No person will be considered qualified to hold the commission of a Chief Engineer, who is not able to keep accounts, make notes in the Log of every particular of the working of the engines and boilers, draw rough sketches of any part of the machinery, with figured dimensions fit to work from, be able and willing to exert himself practically as a workman when occasion requires, either in driving the engines, or packing, repairing, or adjusting, the various working parts of the machinery, and making good the defects of boilers. He must therefore possess a thorough knowledge of the construction and working of marine engines and boilers in all their parts, coupled with skill and experience as a practical mechanic.

He must be so far acquainted with the elements of theoretical mechanics as to comprehend the general principles on which the machine works. He must understand how to apply the indicator, and draw the necessary conclusions from the diagrams.

He must be acquainted with the principle of expansion,

Admiralty, 1st September, 1846.

MEMORANDUM.—In all future cases when any of Her Majesty's Ships are about to be paid off, their Lordships desire it may be distinctly explained to the Men, that if they choose to continue in the Service, they may have a month or six weeks' leave of absence, during which time their Time and Pay will go on, and that they will be at liberty to join any of Her Majesty's Ships sitting out at any of the Ports upon their return from such leave.

and able to prove, or at least to illustrate, the advantages to be derived from the use of expansive gear.

The particular class to which a Chief Engineer will be appointed will depend not only on the result of his examination, but on his character, services, &c.

Chief Engineers will be examined at the Steam Department at Somerset House by the Chief Engineer and Inspector of the Machinery of the Navy, in the presence of the Comptroller of Steam Machinery.

Assistant Engineer.—He must be able to keep accounts and make rough working sketches of engines and boilers.

He must produce certificates of servitude in a factory, or other proof of his acquaintance with engine work, and of his practical abilities as a mechanic, as well as testimonials of good conduct and character.

He must understand the general principle of the engine, and be acquainted with the names of the various parts, and their uses.

The Second Class Assistant Engineer, in addition to the foregoing general requirements, must have served at sea at least one year, and produce proof of his capability to work engines, &c.

The First Class Assistant Engineer must have served at sea at least two years as an Engineer, and be competent to take charge of the engines, when required to do so. He must be well acquainted with the principle on which the machine works in all its parts, be able to adjust the various working parts, and set right defects which may arise in the engines and boilers.

According to his acquirements in these points, his proficiency as a workman, and his general character and servitude, will depend his promotion to the higher rank of Chief Engineer. But he will not be considered eligible for promotion to this latter rank until he shall have served three years in the capacity of First Class Assistant, or as "First Class Engineer" on the old establishment.

Assistant Engineers will be examined by the Chief Engineers and Inspectors of Machinery of the Government Factories, in the presence of the Superintendent of the Dock-Yard, or such other Officer as may be nominated for the purpose.

In the event, however, of the exigencies of the service requiring the entry of Engineers who may not have served at sea the full periods herein stated, but in other respects may produce proof of their qualifications, a deviation from these regulations will be allowed by the special authority, in each instance, of the Board of Admiralty, a notation to such effect being made on the passing Certificates, with a statement of the circumstances of the case.

All Engineers at present in the service are to be continued at their present rank and denomination until they shall have been examined and found eligible for promotion into the new establishment.

Their Lordships further desire that every facility may be given to the men to deposit their Hammocks, Clothes, &c. in the Dock Yards during their stay on shore, in the manner prescribed by their Memorandum dated April 13, 1842, the object of which their Lordships desire may be fully impressed upon the men, and the Regulation strictly attended to.

By command of their Lordships,

NAVAL MEDALS.

Admiralty, 7th June, 1848.

The Lords Commissioners of the Admiralty having referred to a Committee of Flag Officers the consideration of the naval actions for which medals should be granted, in accordance with the spirit of the Queen's most gracious intentions, as signified in the Gazette of the 4th June, 1847; and Her Majesty having been pleased to approve of several of the suggestions submitted by the said Committee, the following notice is issued for the information and guidance of those who may have claims to this honourable distinction:—

1st. The rule, directed by Her Majesty to be observed in extending this mark of Her royal favour, is so comprehensive as to bring within its scope all Officers, seamen, and marines (and soldiers who served as marines) who were present in any action which at the time received the special approbation of the Lords Commissioners of the Admiralty.

2nd. From the commencement of the war in 1793, it was the practice of the Board of Admiralty to notice battles of conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the Commander, if the action was fought by a small vessel; and, conformably with this practice, it is Her Majesty's pleasure, that persons of every rank, who were present in such actions, during the wars commencing in 1793, and ending in 1815, and now living, shall receive a medal commemorative of their meritorious services; and they are required forthwith to state their claims for such action in which they may have been engaged, according to the form (A) herewith annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty, London.

3rd. Her Majesty has also been pleased to take into Her gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct that such services, if distinguished by the promotion of the Officer conducting the enterprise, shall entitle those who were present, and now living, to a medal; provided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. It is also ordered, that service in the frigates and smaller vessels, which were actually present in any of the

great fleet actions mentioned in the Gazette of the 4th June, 1847, for which the Captains of the ships of the line received medals, shall entitle those now surviving of the crews of such vessels to a medal.

And all surviving Officers, seamen, and marines, belonging to ships actually co-operating and present during the siege and capture of

Martinique in 1809,
Guadaloupe in 1810,
Java in 1811,
St. Sebastian in 1813,

for which the Army had medals, will be entitled to a similar distinction, if their return, according to form (A), shall enable the Committee to trace the presence and co-operation of the ships to which the applicants belonged.

And 5th. Her Majesty, having taken into Her most gracious consideration the circumstance that medals have been granted by Her Majesty for services rendered by the Navy, not only in the wars commencing in 1793, and ending in 1815, but also for services rendered in the late war in China, whilst the intermediate general actions, viz.:

The attack upon Algiers in 1816,
The battle of Navarino in 1827, and
The operations on the coast of Syria in 1840,

are unmarked by any such distinction, has been pleased to direct, that the surviving Officers, seamen, and marines, engaged in those actions, shall also receive a similar mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same; and all such Officers, seamen, and marines, are, therefore, hereby called upon to transmit their claims to such distinction according to the annexed form A, and addressed to the Secretary of the Committee of Flag Officers, Admiralty, London.

The following Flag Officers have been directed to re-assemble, as a committee for the investigation and adjudication of all claims sent in according to the printed forms, viz.:

Admiral Sir T. Byam Martin, G.C.B.
Admiral Sir W. Hall Gage, G.C.H.
Admiral the Hon. Sir Thomas Bladen Capel, K.C.B.
Vice-Admiral Sir James A. Gordon, K.C.B.

By command of the Lords Commissioners
of the Admiralty,

H. G. WARD.

Admiralty, 1st June, 1847.

Her Majesty having been graciously pleased to command that a medal should be struck to record the services of Her Fleets and Armies, during the wars commencing in 1793 and ending in 1815, and that one should be conferred on every Officer, non-commissioned officer, petty officer, soldier, seaman, and marine, who was present in any action, naval or military, to commemorate which medals have been struck by command of Her Majesty's Royal Predecessors, and distributed to Superior Officers, according to the rules of the Service at that time in force:

All Officers, petty officers, seamen, and marines, who consider that they are entitled to receive this mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same, are to send in writing, the statement of their claims, addressed to the Secretary of the Admiralty, Whitehall, London, specifying for what action, and at what period of time, the claim is preferred, and the names of the persons or the titles of the documents by which it can be established.

A Board of Officers will be appointed to take into consideration the facts stated in these applications, and to report upon the same to the Lords Commissioners of the Admiralty, for the information of Her Majesty, so as to enable those commended by Her Majesty to deliver to the claimants the medals accordingly.

The names of all those, who may apply for the naval medal, will be classed alphabetically, and to each name will be appended the actions at which the claimant may have been present, proof of which must be given to the entire satisfaction of the Board.

The occasions for which medals have been granted by the Sovereign are specified below, for general information and guidance.

NAVAL MEDALS.

Admiralty, 7th June, 1848.

The Lords Commissioners of the Admiralty having referred to a Committee of Flag Officers the consideration of the naval actions for which medals should be granted, in accordance with the spirit of the Queen's most gracious intentions, as signified in the Gazette of the 4th June, 1847; and Her Majesty having been pleased to approve of several of the suggestions submitted by the said Committee, the following notice is issued for the information and guidance of those who may have claims to this honourable distinction:—

1st. The rule, directed by Her Majesty to be observed in extending this mark of Her royal favour, is so comprehensive as to bring within its scope all Officers, seamen, and marines (and soldiers who served as marines) who were present in any action which at the time received the special approbation of the Lords Commissioners of the Admiralty.

2nd. From the commencement of the war in 1793, it was the practice of the Board of Admiralty to notice battles of conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the Commander, if the action was fought by a small vessel; and, conformably with this practice, it is Her Majesty's pleasure, that persons of every rank, who were present in such actions, during the wars commencing in 1793, and ending in 1815, and now living, shall receive a medal commemorative of their meritorious services; and they are required forthwith to state their claims for each action in which they may have been engaged, according to the form (A) hereunto annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty, London.

3rd. Her Majesty has also been pleased to take into Her gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct that such services, if distinguished by the promotion of the Officer conducting the enterprise, shall entitle those who were present, and now living, to a medal; provided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. It is also ordered, that service in the frigates and smaller vessels, which were actually present in any of the

great fleet actions mentioned in the Gazette of the 4th June, 1847, for which the Captains of the ships of the line received medals, shall entitle those now surviving of the crews of such vessels to a medal.

And all surviving Officers, seamen, and marines, belonging to ships actually co-operating and present during the siege and capture of

Martinique in 1809,
Guadaloupe in 1810,
Java in 1811,
St. Sebastien in 1813,

for which the Army had medals, will be entitled to a similar distinction, if their return, according to form (A), shall enable the Committee to trace the presence and co-operation of the ships to which the applicants belonged.

And 5th. Her Majesty, having taken into Her most gracious consideration the circumstance that medals have been granted by Her Majesty for services rendered by the Navy, not only in the wars commencing in 1793, and ending in 1815, but also for services rendered in the late war in China, whilst the intermediate general actions, viz.:

The attack upon Algiers in 1816,
The battle of Navarino in 1827, and
The operations on the coast of Syria in 1840,

are unmarked by any such distinction, has been pleased to direct, that the surviving Officers, seamen, and marines, engaged in those actions, shall also receive a similar mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same; and all such Officers, seamen, and marines, are, therefore, hereby called upon to transmit their claims to such distinction according to the annexed form A, and addressed to the Secretary of the Committee of Flag Officers, Admiralty, London.

The following Flag Officers have been directed to re-assemble, as a committee for the investigation and adjudication of all claims sent in according to the printed forms, viz.:

Admiral Sir T. Bram Martin, G.C.B.
Admiral Sir W. Hall Gage, G.C.H.
Admiral the Hon. Sir Thomas Bladen Capel, K.C.B.
Vice-Admiral Sir James A. Gordon, K.C.B.

By command of the Lords Commissioners
of the Admiralty,

H. G. WARD.

(A.)

Name of Applicant.	Name of the Ship.	Captain's Name.	Action for which Claim is preferred.	Date of Action.	Name of Officer or Officers promoted.

(B.)

Name of Applicant.	Name of his Ship.	Captain's Name.	Place or Occasion where the Attack was made.	Date of the Attack.	Name of the Boat in which the Applicant served, and Name of the Officer Commanding the Boat.	Name of the Officer Commanding the Enterprise.	Name of the Officer promoted.

Admiralty, 1st June, 1847.

Her Majesty having been graciously pleased to command that a medal should be struck to record the services of Her Fleets and Armies, during the wars commencing in 1793 and ending in 1815, and that one should be conferred on every Officer, non-commissioned officer, petty officer, soldier, seaman, and marine, who was present in any action, naval or military, to commemorate which medals have been struck by command of Her Majesty's Royal Predecessors, and distributed to Superior Officers, according to the rules of the Service at that time in force:

All Officers, petty officers, seamen, and marines, who consider that they are entitled to receive this mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same, are to send in writing, the statement of their claims, addressed to the Secretary of the Admiralty, Whitehall, London, specifying for what action, and at what period of time, the claim is preferred, and the names of the persons or the titles of the documents by which it can be established.

A Board of Officers will be appointed to take into consideration the facts stated in these applications, and to report upon the same to the Lords Commissioners of the Admiralty, for the information of Her Majesty, so as to enable those commanded by Her Majesty to deliver to the claimants the medals accordingly.

The names of all those, who may apply for the naval medal, will be classed alphabetically, and to each name will be appended the actions at which the claimant may have been present, proof of which must be given to the entire satisfaction of the Board.

The occasions for which medals have been granted by the Sovereign are specified below, for general information and guidance.

By command of the Lords Commissioners of the Admiralty,

H. G. WARD.
